## IT'S TIME TO REGISTER FOR THE 2018 SPRING SEMESTER!

We are excited to open Preschool Registration for both new students and current students adding to their schedules! Changes we are able to accommodate will begin January 2018.

**Please complete the enclosed form and return it, along with the registration fee, to the Preschool office. Parents of current students who wish to add days/hours do not need to submit a registration fee, but do need to complete this form. Registration form and fee are due by October 27.**

### ADMISSION PROCEDURES

Beth Meyer Preschool does not require any evaluations or testing of children for admission. Currently enrolled children (Beth Meyer members and non-members) are guaranteed their current space and are given priority for additional days, hours, and sibling placement.

For new families, if we have more applicants than openings in any of our classes, we will contact you to ask if you would like to place your child's name on a waiting list. If not, we will return your registration fee.

For registrations which have been accepted, tuition contracts will go out to families by the end of November, and will be due back to the office by December 8.

If your child is 12-18 months old, please speak with someone in the office to make sure that your child is ready for school. Please note that child placement for all classes is at the discretion of the director and may not end up matching the birthdates listed on the registration sheet. We try to match up the children with classes the best that we can based on teacher input and observation.

If you have questions, please don't hesitate to contact the office. (919-870-6477, [preschool@bethmeyer.org](mailto:preschool@bethmeyer.org).)

We look forward to having your family with us this Spring!
